Applying the paint is actually only a small portion of an entire paint job!

A Complete Paint Job is far more inclusive! And, not every painter will do it. That's precisely why you need to call the professionals at Teaberry, Ltd.

Our work starts well before the paint crew arrives: meeting with you to find out WHAT you want and HOW you want it, picking colors, setting schedules, and getting the details right! You can depend on us to return all your phone calls, answer your questions, and leave you with a beautifully painted home. No hassles, no mess-ups, no surprises. That's the Teaberry guarantee.

Our Touch Me Up policy is your guarantee that if we missed something, we'll take care of it. Just call us. We will take care of it right away typically in as little as 24 hours.

Consider the ease, convenience, and certainty that painting with Teaberry provides:
